

Dark & Black Wax

00010
EN

The classic Dark & Black Wax is a perfect wax to begin your detailing adventure. It's a great, fuss-free solution for beginners and professionals alike. A synthetic formula with the addition of natural Carnauba will give any darker paintwork exceptional gloss and depth, creating a mirror effect. Strong hydrophobic properties help keep the car clean for longer and make it easier to maintain. Suitable for darker paintworks.

Directions: 1. Prepare the vehicle by washing it with a pH-neutral shampoo, drying it; cleaning its surface using a clay bar, cleaner or other product of this kind, 2. Apply the wax to the supplied sponge by lightly rubbing it on the wax's surface. 3. Spread a thin and even layer of wax on the paintwork, pressing lightly. 4. Wait until white residue appears on the paintwork, 5. Polish the residue with a clean and dry microfiber cloth, ! Never apply wax in direct sunlight or on hot components.

Contains: hydrocarbons, C9-C12, n-alkanes, isoalkanes, cyclics, aromatics (2-25%); kerosine (petroleum).

Flammable solid. Causes skin irritation. May cause drowsiness or dizziness. Toxic to aquatic life with long lasting effects. Keep out of reach of children. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Avoid release to the environment. Wear protective gloves/protective clothing. IF ON SKIN: Wash with plenty of water and soap. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Dispose of contents/container to properly labelled waste containers according to national law.
