

White Soft Wax

00020
EN

The classic White Soft Wax is a perfect wax to begin your detailing adventure. It's a great, fuss-free solution for beginners and professionals alike. Mild abrasive and cleaning agents, easily and safely remove stubborn dirt and deposits from the paintwork, restoring factory shine. It also effectively protects the paintwork, enhances the shine, protects from harmful factors and provides water repellency. Suitable for white paintworks only.

Directions: 1. Prepare the vehicle by washing it with a pH-neutral shampoo, drying it; cleaning its surface using a clay bar, cleaner or other product of this kind, 2. Apply the wax to the supplied sponge by lightly rubbing it on the wax's surface. 3. Spread a thin and even layer of wax on the paintwork, pressing lightly. 4. Wait until white residue appears on the paintwork, 5. Polish the residue with a clean and dry microfiber cloth, ! Never apply wax in direct sunlight or on hot components.

Contains: hydrocarbons, C9-C12, n-alkanes, isoalkanes, cyclics, aromatics (2-25%); kerosine (petroleum); nonane.
