

Pearl & Metallic Soft

00027
EN

The classic Pearl & Metallic Soft Wax is a perfect wax to begin your detailing adventure. It's a great, fuss-free solution for beginners and professionals alike. Mild cleaning agents remove minor imperfections and bring out the original shine of the paintwork. A special synthetic formula enhances the effect of pearl or metallic shine of your car's paint. Suitable for all metallic/pearl paintwork colours.

Directions: 1. Prepare the vehicle by washing it with a pH-neutral shampoo, drying it; cleaning its surface using a clay bar, cleaner or other product of this kind. 2. Apply the wax to the supplied sponge by lightly rubbing it on the wax's surface. 3. Spread a thin and even layer of wax on the paintwork, pressing lightly. 4. Wait until white residue appears on the paintwork. 5. Polish the residue with a clean and dry microfiber cloth. ! Never apply wax in direct sunlight or on hot components.

Contains: kerosine (petroleum).

Causes skin irritation. May cause drowsiness or dizziness. Harmful to aquatic life with long lasting effects. Keep out of reach of children. Avoid breathing vapours. Avoid release to the environment. Wear protective gloves/protective clothing. IF ON SKIN: Wash with plenty of water and soap. Dispose of contents/container to properly labelled waste containers according to national law.
