

The King of Gloss W

00171
EN

King of Gloss is a top-grade car wax formula developed for those who value spectacular shine above all else. This synthetic wax is enriched with a delicate cleaning particles which restore the original colour of the light paintwork. At the same time, it provides a nail polish gloss effect and forms a hydrophobic layer that protects the paintwork from dirt and contamination. Suitable for lighter paintworks.

Directions: 1. Prepare the vehicle by washing it with a pH-neutral shampoo, drying it; cleaning its surface using a clay bar, cleaner or other product of this kind. 2. Apply the wax to the supplied sponge by lightly rubbing it on the wax's surface. 3. Spread a thin and even layer of wax on the paintwork, pressing lightly. 4. Wait until white residue appears on the paintwork. 5. Polish the residue with a clean and dry microfiber cloth. ! Never apply wax in direct sunlight or on hot components.

Contains: hydrocarbons, C9-C12, n-alkanes, isoalkanes, cyclics, aromatics (2-25%).

Causes skin irritation. May cause drowsiness or dizziness. Toxic to aquatic life with long lasting effects. Keep out of reach of children. Avoid release to the environment. Wear protective gloves/protective clothing. IF ON SKIN: Wash with plenty of water and soap. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Dispose of contents/container to properly labelled waste containers according to national law. Contains linalool; d-limonene; citral. May produce an allergic reaction.
