

The King Of Gloss Dark

00177
EN

King of Gloss is a top-grade car wax formula developed for those who value spectacular shine above all else. This synthetic wax will easily boost the original colour of any dark-coloured paintwork, providing a nail polish gloss effect and forming a hydrophobic layer that protects the paintwork from dirt and contamination. Suitable for darker paintworks.

Directions: 1. Prepare the vehicle by washing it with a pH-neutral shampoo, drying it; cleaning its surface using a clay bar, cleaner or other product of this kind. 2. Apply the wax to the supplied sponge by lightly rubbing it on the wax's surface. 3. Spread a thin and even layer of wax on the paintwork, pressing lightly. 4. Wait until white residue appears on the paintwork. 5. Polish the residue with a clean and dry microfiber cloth. ! Never apply wax in direct sunlight or on hot components.

Contains: hydrocarbons, C9-C12, n-alkanes, isoalkanes, cyclics, aromatics (2-25%).

Flammable solid. Causes serious eye irritation. May cause drowsiness or dizziness. Toxic to aquatic life with long lasting effects. Keep out of reach of children. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Avoid release to the environment. Wear protective gloves/protective clothing/eye protection/face protection. IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Dispose of contents/container to properly labelled waste containers according to national law. Repeated exposure may cause skin dryness or cracking. Contains linalool; d-limonene; citral. May produce an allergic reaction.
