

# Mirror Shine Wax Light

00373  
EN

Mirror Shine is for everyone who wants spectacular results with minimum amount of work. The fully synthetic formula allows for instant application, without waiting for the wax to bind or dry. Simply polish the wax into the paintwork until the perfect shine is achieved and you're good to go! Dedicated microfiber cloth attached. Suitable for lighter paintworks.

Directions: 1. Prepare the vehicle by washing it with a pH-neutral shampoo, drying it; cleaning its surface using a clay bar, cleaner or other product of this kind. 2. Apply the wax to the supplied microfiber by lightly rubbing it on the wax's surface. 3. Polish the wax into the paintwork's surface and work until you achieve a desired effect. 4. Polish any residue with the clean side of the microfibre. ! Never apply wax in direct sunlight or on hot components.

Flammable solid. Causes serious eye irritation. May cause long lasting harmful effects to aquatic life. Keep out of reach of children. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Avoid release to the environment. Wear protective gloves/protective clothing/eye protection/face protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Dispose of contents/container to properly labelled waste containers according to national law. Repeated exposure may cause skin dryness or cracking.
