

New Scratch Clear Wax -Mirror Finish-P&M

**00419
EN**

With a safe blend of abrasive particles, cleaners and fillers, New Scratch Wax restores shine, masks imperfections and protects the surface in one go. It's the perfect solution for anyone who wants to quickly and effortlessly improve the condition of a well-worn paintwork. Dedicated microfiber cloth attached. Suitable for lighter paintworks.

Directions: 1. Prepare the vehicle by washing it with a pH-neutral shampoo, drying it; cleaning its surface using a clay bar, cleaner or other product of this kind. 2. Apply the wax to the supplied microfiber by lightly rubbing it on the wax's surface. 3. Polish the wax into the paintwork's surface and work until you achieve a desired effect. 4. Polish any residue with the clean side of the microfibre.

! Never apply wax in direct sunlight or on hot components.

May cause long lasting harmful effects to aquatic life. Keep out of reach of children. Wash hands thoroughly after handling. Avoid release to the environment. Wear protective gloves. Dispose of contents/container to properly labelled waste containers according to national law. Repeated exposure may cause skin dryness or cracking.
